Winemaker Notes: With 2018 being heralded as the 'perfect' growing season in eastern Washington, the Elephant Mountain Malbec grapes were harvested with high sugar, balanced acid, and amazing color. The resulting wine from this single vineyard, small lot Malbec has intense aromatics, robust tannins, concentrated dark berry flavors, and a stunning black rose hue.

Tasting Notes: Bold and robust, our Malbec bursts with aromas of blackberry and mocha with subtle interwoven notes of violet and peppercorn.
