Live your life. Be who you are. Drink good wine along the way.™

Early in the 20th century, a hobo searching for work and safe haven carved this symbol in our door. His mark signaled to fellow travelers that our 200-year old farm was a safe, welcoming place. All these years later, we find ourselves deeply connected to its meaning—where you see this "H" symbol, you find friendship, acceptance, and true hospitality. Share this spirit with family, friends, and travelers you meet along the way.

Velvety and rich, our Syrah has powerful and concentrated flavors of dark berry and mocha.
